PERGOLAS • ARBORS • TRELLISES • CABANAS • OUTDOOR KITCHENS • FIRE PITS • FIREPLACES

*United Scapes of America creates custom landscape designs for a broad range of clients including residential owners, contractors, architects, & engineers. We offer design+build and landscape planning consultation for modern day outdoor renovation projects.*

*Seashore Plantation provides quality landscape embellishments and unique gardening services to Hotel & Casino Resorts, Country Clubs, and Private Estates. Working closely with United Scapes of America, our products and services are effectively designed to peak interest and build upon themes in your garden and outdoor spaces.*

*Anthony Faltyn, Owner / Designer, has developed some of the areas most lavish ornamental gardens and decorative hardscapes. Please contact our firm at your convenience to further inquire about our new services and scheduling of commissions for the 2009 season. We will be glad to begin that process upon your request. Thank you*
